MacKenzie Commercial Real Estate Services Welcomes Two New Employees

MacKenzie Commercial Real Estate Services, a full-service commercial real estate firm specializing in leasing, sales and tenant advisory, is proud to welcome Susan Spencer and Laura Christou to its marketing team. Spencer and Christou will be supporting the office and retail brokerage teams in MacKenzie's Lutherville office.

Prior to joining MacKenzie Spencer spent more than two decades with local giant Stanley Black & Decker where she served as Senior Executive Assistant to the Chief Financial Officer and finance division. Spencer will be responsible for the day-to-day administrative management of the Lutherville brokerage team and will be providing supplementary assistance to the marketing team.

"Susan's C-Suite background, enthusiasm, and extensive executive level experience, make her an excellent fit for our busy team," said Bill Whitty, Senior Vice President and Principal of MacKenzie Commercial Real Estate Services, LLC.

Christou most recently served as Research Analyst with CoStar where she was responsible for gathering and maintaining data on the commercial real estate market. A native of Baltimore, she graduated from Towson University before entering real estate as a marketing assistant with competitor CBRE. Christou will be responsible for the advertising, marketing, special events and media relations for MacKenzie Retail, LLC.

"Susan and Laura's fresh perspective is the perfect match for our growing team," said Marketing Manager Katy Hayes. "Their analytical backgrounds and expertise are key in supporting MacKenzie's growth," added Hayes.
