CHESAPEAKE UROLOGY EXPANDS ITS FACILITIES

MacKenzie Commercial Real Estate Services, LLC is proud to announce Chesapeake Urology Associates, P.A. (CUA) has signed a five-year lease at 25 Crossroads Drive in Owings Mills, Maryland, maintaining the building's 100% leased status.

CUA, home to more than 40 of the mid-Atlantic's top urologists, is Maryland's largest urologic group and the third largest urology practice in the nation. The organization offers state-of-the-art urology care at its 20 Maryland locations, which include offices in Baltimore City, Baltimore, Harford, Howard, Carroll, Cecil, and Anne Arundel Counties.

CUA physicians are leaders in the treatment of the full range of urologic conditions for men, women and children including incontinence, prostate cancer, erectile dysfunction, vasectomies and reverse vasectomies, and male infertility.

Julio O. Purcell, Vice President, and Meghan C. Gill, Senior Real Estate Advisor, at MacKenzie Commercial Real Estate Services, LLC, represented the landlord in the deal.

"MacKenzie Properties is very pleased to welcome Chesapeake Urology into its family of tenants. 25 Crossroads Drive offers Chesapeake the opportunity to consolidate its administrative functions under one roof and maintain proximity to one of its key clinical locations," said Purcell. "We look forward to serving Chesapeake Urology throughout their long and prosperous tenancy."

Chesapeake Urology will take occupancy at the new location in September 2008.
