

## COVID-19 CRISIS: PPP Deadline Extension

July 20, 2020

To Our Valued Tenants,

In case you were not aware, the deadline for applying for the federal government's **Paycheck Protection Program ("PPP")** has been extended to **August 8<sup>th</sup>, 2020**. This is great news for those who were not able to apply by the previous deadline of June 30<sup>th</sup>.

As a reminder, and per our previous update, the Paycheck Protection Program Flexibility Act of 2020 ("the Act") enacted recently provided many favorable adjustments to the terms of the original PPP. If you have not applied, we encourage you to read the latest details of the program and determine whether it will assist your business. Here are some helpful links:
